\*\*\*\*\*

Strip'It sealer remover is ready to use; non corrosive, low sudsing and contains no ammonia or chlorinated solvents. Strip'It will effortlessly remove Crystal Cote and most other water base sealers and dirt buildups from most any surface. Can be used on terrazzo, vinyl tile, ceramic tile, quarry tile, concrete, marble or any other stone surfaces. Strip'It has been developed for use as a mop on, mop off method for excellent professional results and is 100% biodegradable.

1. Apply Strip'It liberally with a yarn or sponge type mop.
2. Allow to remain on floor for approximately five minutes or until you see the finish dissolving.
3. Agitate with a Brillo type pad or a light pad on a scrubbing machine.
4. Mop off stripper. Use sponge mop or yarn mop to remove it together with the dissolved sealer, wax and dirt from the floor. Rinse the floor thoroughly with clean water. Strip'It is designed to remove sealers, it will remove some types of wax on a limited basis.
5. Clean and neutralize surface with TESCO Clean'Brite, rinse surface thoroughly and allow to dry completely before resealing.
6. Your floor is now ready to accept a new application of TESCO sealer.

Coverage is 300 to 500 square feet per gallon depending on type of finish and thickness of build-up being removed.

Use only in well ventilated areas. Causes eye and skin irritations. Do not get in eyes or on skin. Wear goggles or face shield and rubber gloves when handling. May be harmful if swallowed. Keep from freezing.
